**Who:**

Schools, police, social services, and mental health professionals who have completed VTRA Level One.

**What:**

VTRA Training will teach participants how to identify individuals or groups who are at risk of committing serious acts of violence. Using real world examples and case studies, participants will learn how to gather appropriate information and build data-driven assessments to determine if a threat-maker poses a risk to their target.

**Why:**

VTRA Training increases a community's capacity to intervene and effectively respond to threats of violence.
